soft touch

Fire up your hair colour for the new season but keep your makeup minimal.

face off

Ageless, The Ageless line is loaded with fruit actives, such as grape seed and pomegranate extract that helps slow down the ageing process by removing free radicals. Try the antioxidant misting gel that removes dirt from your skin while hydrating it, \$47.30

Clearskin Gel from ASAP Skin Products was developed for acne but also treats things like sun damage, wrinkles and in-grown hairs. Formulated by a doctor, it's non greasy and vv (that's very versatile), \$29

Qcell Dual Action Cell Protection System might be a mouthful but it is also a breakthrough in skincare to protect you inside and out from the signs of ageing. The system combines cream, loaded with UV protection, antioxidants and green tea and capsules that contain nutrients, grape seed extracts and co enzyme Q10. Developed by Planet Health, you can purchase in a pack for \$69.95 or individually.

colour my world

Sally Hansen Hi-Definition nail polishes are long lasting and vibrant with a high shine, in a fusion of shades, \$16.95
